SCHEDA TECNICA - FICHE TECHNIQUE - TECHNICAL DETAILS

Scheda Tecnica

STRUTTURA - Struttura portante in legno massello e pannelli in agglomerato o multistrato.

IMBOTTITURA SEDUTE - Poliuretano HT 35 kg/m³.

IMBOTTITURA SCHIENALI - Poliuretano HT 21 kg/m³ + poliuretano HT 25kg/m³.

PIEDI - Piede metallico disponibile nei colori: Antracite 310, Sabbia 312, Bianco 306.

SOSPENSIONI - cinghie elastiche incrociate.

MECCANICA SCHIENALI - Meccanica schienali Avanti/Indietro manuale (versione elettrica non disponibile).

MECCANICA BRACCIOLO - Meccanica braccioli Avanti/Indietro manuale (versione elettrica non disponibile).

*Le dimensioni di tutti i divani non possono essere precise in ragione della natura stessa dei mobili imbottiti.

Una tolleranza del 3% in più o in meno sulle misure indicate nelle vostre schede tecniche o listini è da considerarsi di rigore.

*La ripartizione dei colori non è modificabile.

*Per le combinazioni di rivestimenti in categorie diverse il prezzo è determinato dal rivestimento della categoria superiore.

Fiche Technique

STRUCTURE - Structure portante en bois massif et panneaux agglomérés ou multicouches.

GARNISSAGE ASSISES - Mousse polyuréthane HT 35 kg/m³.

GARNISSAGE DOSSIERS - Mousse polyuréthane HT 21 kg/m³ + mousse polyuréthane HT 25 kg/m³.

PIEDS - Pieds métalliques disponibles dans les couleurs: Anthracite 310, Sable 312, Blanc 306.

SUSPENSIONS - Sangles élastiques entrecroisées.

MECANIQUE DOSSIERS - Mécanique Avance/Reculé manuelle (version électrique pas disponible).

MECANIQUE ACCOUDOIRS - Mécanique Avance/Reculé manuelle (version électrique pas disponible).

*Les dimensions hors tout des canapés ne peuvent pas être précises en raison de la nature même des meubles rembourrés ou matelassés.

Une tolérance de 3% en plus ou en moins sur les mesures indiquées sur vos fiches techniques ou tarifs est de rigueur.

*La répartition des couleurs n'est pas modifiable.

*Pour les mélanges de revêtements en catégories différentes, le prix est déterminé par le revêtement de la catégorie supérieure.

Technical Details

STRUCTURE - Frame in solid wood with plywood or multilayer.

PADDING FOR SEAT - Polyurethane foam HT 35 kg/m³.

PADDING FOR BACK - Polyurethane foam HT 21 kg/m³ + polyurethane foam HT 25 kg/m³.

FEET - Section metal feet availables in the colors: Anthracite 310, Sand 312, White 306.

SUSPENSIONS - Elastic crossing belts.

BACK MECHANISM - Manual mechanism forward / backward (electric version not available).

ARMS MECHANISM - Manual mechanism forward / backward (electric version not available).

*The sofas dimensions may have a little tolerance of +/- 3 %, cause of the their nature made with soft material like foam.

*The distribution of colors can not be changed.

*When coverings of different categories are combined, the price is calculated on the basis of the higher one.
